

:-CERTIFICATE:-

It is certified that on request of the Principal St.Paul's Sr.Sec.School, Nimbahera Road Chittorgarh, I've inspected on dated 14-3-19 the health and sanitary condition of the school found that toilets are cleaned regularly. Drinking water taps are neat and clean. The school has got 3 tube wells and ground water is good and portable.

The school has a natural and a pollution free environment. It has a beautiful garden and spacious play ground.
